

## IOSH Leading Safely Training Course

*“ The key to successful leadership is influence, not authority. ”*

Kenneth H. Blanchard

*“ The greatest leader is not necessarily the one who does the greatest things. He is the one that gets the people to do the greatest things. ”*

Ronald Reagan (former US president)

## IOSH Leading Safely Training Course

*“ The secret of leadership is simple: Do what you believe in. Paint a picture of the future. Go there. People will follow. ”*

Seth Godin

*“ It’s not about you.  
It’s about them. ”*

Clint Eastwood

**Course Duration:** 5 Hours

**Venue:** ProAktive House, Sidings Court, White Rose Way, Doncaster, DN4 5NU  
(see back page for directions)

**Course Fee:** £195 + VAT (clients) and £245 + VAT (non-clients), inclusive of course registration, course materials and IOSH accredited certificate.  
Lunch and refreshments will be provided.

**Course Detail:** Whatever the size of your organisation, the course will show you how investing in safety and health can reap valuable benefits, including better productivity, increased profits, an enhanced reputation and a stronger bond.

### Key Learning Points:

- Recognising the value of strategic safety and health and its integration into business management systems and performance
- Understands the key role that leadership plays, in building a culture where safety and health is integral
- Understanding your safety and health responsibilities
- Appreciating the consequences of poor safety and health
- Planning the overall direction for safety and health in your organisation
- Understanding the importance of adequately resourcing your safety and health management system
- Knowing why you should monitor and review your safety and health performance

### Content & Assessment:

- Initial diagnostic questionnaire on your safety and health leadership behaviours accessed via a mobile app prior to the course date
- Personalised report based on your responses, including recommendations on actions to take and improvements to make
- Case study review, tailored to your needs and industry. First, how things can go wrong, then 'getting it right' – a follow-on scenario based around putting improvements in place using Plan-Do-Check-Act HSMS and integration into business systems
- Assessment is completion of a personal commitment – a set of actions to take following the recommendations in your report and other learning
